PROFESSIONAL SUMMARY

Creative and detail-oriented Junior Designer with 2+ years of hands-on experience crafting responsive, pixel-perfect web interfaces. Proficient in HTML5, CSS3, JavaScript, React JS, and Bootstrap, with strong command of UI animations (GSAP, AOS, Locomotive Scroll, Swiper), and performance optimization techniques. Skilled at collaborating closely with UI/UX designers to translate Figma mockups into flawless, accessible, and high-performance websites. Known for delivering clean, maintainable code and visually engaging user experiences across devices and browsers.

TECHNICAL SKILLS

Languages	HTML5, CSS3, JavaScript (ES6+)
Frameworks	React JS, Bootstrap 4/5
Libraries	GSAP, AOS (Animate On Scroll), Locomotive Scroll, Swiper, Owl Carousel, jQuery
Tools & Design	Figma (Pixel-perfect implementation), Git, VS Code, WordPress (Beaver Builder)
Performance	Image compression & resizing, lazy loading, code optimization, load time reduction
Other	React Router, React Hooks, Email template development (HTML + inline CSS), Responsive & cross-browser design

WORK EXPERIENCE

Junior Designer
Cyber Infrastructure | Indore, MP

November 2023 – March 2026

- Developed and delivered multiple client websites including e-learning platforms, loan services portals, matrimonial platforms, and booking applications using HTML5, CSS3, JavaScript, React JS, and Bootstrap.
- Collaborated directly with UI/UX designers to implement pixel-perfect designs from Figma, ensuring every visual detail matched the approved mockup.
- Integrated advanced animation libraries including GSAP, AOS, Locomotive Scroll, and Swiper to create rich, interactive user experiences.
- Optimized website performance through image compression, asset resizing, and code optimization — significantly reducing page load times across all projects.
- Built and maintained responsive, cross-browser-compatible layouts that work seamlessly across all major devices and screen sizes.
- Developed reusable React components, managed state with hooks, and implemented React Router for seamless multi-page navigation.

- Designed and implemented HTML email templates (table-based with inline CSS) for transactional communications, tested across all major email clients.
- Customized WordPress content using Beaver Builder; styled learning materials with static HTML and inline CSS for consistency across pages.

Front – End Web Development Intern

Sheryians Coding School | Bhopal, MP

January 2023 – July 2023

- Assisted in designing and developing web pages using HTML, CSS, and JavaScript, gaining hands-on experience in real-world client projects.
- Supported the design team in building responsive layouts and maintaining visual consistency across the platform.
- Learned best practices for UI design, cross-browser compatibility, and web performance during the internship period.

KEY PROJECTS

FindLoan – Loan Services Website

HTML5 | CSS3 | JavaScript | Bootstrap | AOS | Owl Carousel | Figma

- Link - https://dev.fullstackbranding.com/cis/findloan/
- Achieved pixel-perfect design implementation from Figma, matching exact visual specifications.
- Developed a real-time loan calculator using JavaScript for instant user feedback and engagement.
- Integrated AOS animations for smooth scroll-triggered transitions, significantly enhancing UX.
- Improved performance by optimizing and compressing images, reducing load time noticeably.
- Built responsive layouts using Bootstrap grids, accordions, and vertical tabs; ensured cross-browser compatibility.

Birmingham Academy – E-Learning Website

HTML5 | CSS3 | JavaScript | Bootstrap 5 | Owl Carousel

- Designed a modern, fully responsive e-learning platform with custom CSS clip-path shapes and shadow effects.
- Added rich interactivity using modals, tabs, accordions, and carousel sliders for an engaging learning interface.
- Implemented smooth scrolling and CSS animations for improved user experience.
- Optimized assets and images to significantly reduce load times while maintaining high visual quality.

Weddz – Matrimonial Platform

React JS | HTML5 | CSS3 | Bootstrap | React Router | Owl Carousel

- Link - https://weddz.com/
- Architected a responsive matrimonial web application using React component-based architecture.
- Implemented React Router for structured multi-page navigation with seamless transitions.
- Integrated Owl Carousel for dynamic profile and gallery sliders.

Just Park – Parking Booking Application

React JS | HTML5 | CSS3 | Bootstrap 5 | React Router | React Hooks

- Built a multi-page parking booking app with React hooks for state management and reusable components.
- Integrated a date-picker component for booking start/end dates with a modern, user-friendly UI.
- Designed CSS clip-path shapes and Bootstrap tabs for a distinctive visual experience.

Block Battle – Animated Landing Page

HTML5 | CSS3 | JavaScript | Bootstrap | AOS | Owl Carousel

- Developed a mobile-first responsive landing page with scroll-based AOS animations and CSS keyframe effects.
- Built a JavaScript preloader to improve perceived loading performance.
- Integrated Owl Carousel for a responsive portfolio showcase with smooth navigation.

Greene Consultants – E-Learning Platform & Caterdash – Catering Services

WordPress | Beaver Builder | HTML | Inline CSS | Email Templates

- Link - https://www.greeneconsults.com/
- Customized and maintained WordPress blogs using Beaver Builder with clean, structured content layouts.
- Designed responsive HTML email templates (table-based + inline CSS) ensuring consistent rendering across all major email clients.
- Implemented a 'Change Your Order' screen for Caterdash, allowing users to modify catering requests — improving satisfaction and flexibility.

EDUCATION

MBA – Data Science and Business Analytics — Present - 2026

D.Y. Patil University | Navi Mumbai, Maharashtra

Master of Computer Applications (MCA) — 2023

Medi-Caps University | Indore, MP

Bachelor of Computer Applications (BCA) — 2021

Bhopal School of Social Sciences (BSSS) | Bhopal, MP

SOFT SKILLS

✓ Responsible & Reliable
✓ Collaborative Team Player
✓ Detail-Oriented
✓ Fast Learner
✓ Problem Solver
✓ Strong Communication
